

Monograph on Current trends in IC Engines Development.

Editor  
**Pramod S Mehta**

1. Phenomenology of Thermo-fluid process in Engines  
*Pramod S Mehta*
2. CFD-Applications to Thermo-fluid process in IC Engines  
*R V Ravikrishna*
3. Spark Ignition Engine Management  
*A Ramesh*
4. Electronic Control for Diesel Engine Management  
*L M Naik*
5. PID Control of Diesel Engines  
*H C Dhariwal*
6. Practical Considerations in Engine Tribology  
*R P Sarma*
7. Experimental Research in Fired Engine Tribology  
*G K Sarma*
8. Engine Noise and its Control  
*M L Munjal*
